

THE GUILDERLAND FOOD PANTRY IS CALLING FOR HELP!

The pantry is presently very low on food and we foresee a busy summer ahead. We are reaching out to all businesses, individuals, and organizations to give us a hand. Would you consider having a food drive at your location? We are in need of the following items: canned fruit, canned veggies, and canned meats, rice, prepared pasta dinners, Dinty Moore beef stew, soups, canned ravioli and chili, snacks, juice, condiments, coffee, tea, paper towels, laundry detergent, toilet paper.

If you can find it in your heart to arrange a food drive for us please call Sue Hennessy at 930-1001 to schedule a time. We can help you run your drive and pick up the food when you are finished. Thank you for considering the food insecure in your town!
