Letter from the Executive Director

Dear Members and Friends of the Guilderland Chamber of Commerce,

As we reflect on the past year, I am thrilled to share with you the remarkable achievements and milestones that have defined our Chamber's success. With 83 dynamic events hosted, we proudly demonstrated the power of connection, innovation, and community. These events were designed not only to foster meaningful networking opportunities for our member businesses but also to spark growth and collaboration that strengthen our local economy.

**Sandra
Dollard**

This year, we also celebrated a significant achievement: securing a grant dedicated to promoting tourism and driving greater visibility for our area. This funding has allowed us to host impactful events, highlight the incredible attractions in Guilderland, and invite visitors to experience all that our community has to offer. It's a true testament to what can be achieved when we work together for a shared vision.

Thank you to each of our members, partners, and supporters who have made this success possible. Your trust and commitment continue to inspire our work and remind us of the vital role the Chamber plays in empowering businesses and enhancing our community.

As we move forward, we remain committed to serving as a catalyst for growth and an advocate for our members. Here's to another year of connection, collaboration, and prosperity for the Guilderland business community!

Warm regards,
Sandra Dollard
